4. Can you harmonize Exod. 20:11 with Deut. 5:15? Explain.
5. Compare Exod. 20:17 and Deut. 5:21. Is there any shade of difference between חמך (Exod. 20:17; Deut. 5:21) and אנה (Deut. 5:21)? Explain, consulting two Hebrew lexicons in formulating your answer.
6. In a one-page reflective essay, suggest some proper contemporary applications for one of the following: Deut 5:12-15 or Deut 5:21. In your work, think specifically of a group with which you are associated (e.g., church congregation, youth group, Bible study group, Sunday School class, neighborhood friendships, your own immediate or extended family) and formulate your answer with this group's real-life situation in mind. In other words, how would you challenge this group to think Biblically about applying this commandment? **(ca. 1 pg.)**
