<p style="text-align: center;"><b>Worksheet 1: Grammatical Analysis</b> <b>Jonah 1:1-3</b></p>
--

1. What is the morphology of מלפני (v. 3) (i.e., what are its morphemes, or component parts)? (Hint: there are more than two.) **[4 pts]**
2. What are the nuances of מלפני? Compare and contrast it to מפני (found in v. 2) and לפני (not found in this passage). (Hint: Look under פנה.) **[6 pts]**
3. Write out verse 3 in Hebrew in such a way as to show the repetitions in the verse. What point does the verse's structure help to make? **[6 pts]**
4. How might the verse's structure help to explain the variations in the forms of the word תרשיש? **[4 pts]**
