--

Please answer the following questions concisely, using such reference tools as Williams, Waltke-O'Connor, BDB, Lisowsky, or Even-Shoshan, but no commentaries. Be sure to give proper credit when you refer to one of these tools.

1. How do you translate אלהיו in v. 5? (Be careful in your answer.) Is your answer based upon a specific linguistic marker or is it contextual? Does v. 6 give any help here? **[8 pts]**
2. How do you account for the lack of concord between subject and verb in the phrase ויזעקו איש (v. 5)? How is איש being used here? How do you translate it? **[6 pts]**
3. How do you translate ויונה ירד in v. 5? Why? (Be careful here, and be specific.) **[6 pts]**
