

## *The New Testament & the Doctrine of the Promise*

New Testament writers see the Doctrine of the Promise as providing key theological concept and vocabulary. E.g.,

promise	covenant	kingdom	king
messiah	servant	son	seed
my elect	special people	rest	hesed (covenant love)
hasid (faithful one)	eternal life	justification by grace through faith	
outpouring of Holy Spirit		last days	day of the Lord
etc.
