

## SIX WONDERS OF THE WORLD

A group of students were asked to list what they thought were the “Seven Wonders of the World.” Though there were some disagreements, the following ideas received the most votes:

1. Egyptian Pyramids
2. Taj Mahal
3. Grand Canyon
4. Panama Canal
5. Niagra Falls
6. St. Peter’s Basilica
7. Great Wall of China

While gathering the votes, the teacher noted that one student had not finished her paper yet. So she asked the girl if she was having trouble with her list. The girl replied, “Yes, a little. I can’t make up my mind because there are so many.”

With that the teacher said, “Well, tell us what you have for now.”

The girl hesitated, then read, “I think six wonders of the world are...”

The room was so quiet you could have heard a pin drop. Some of the simple, ordinary things that we take for granted are truly wondrous! The most precious things in life cannot be built by hand or bought by man or woman. Thank you, God, for creating us uniquely.
